

## PMP Replacement for Veeder-Root® TLS Keyboards

Thank you for purchasing the enclosed PMP Keyboard. This keyboard is designed and manufactured by PMP as a direct replacement for the Veeder-Root® TLS-350, TLS-300, Gilbarco® EMC™, Red Jacket® Pro-Max™ and Red Jacket® Pro-Plus™ Consoles. This installation requires specific knowledge of these tank gauges and you may need to refer to the OEM manuals to complete the installation:

Tools required:

- T-15 Torx® driver
- Flat bladed screwdriver

### **READ THIS GUIDE BEFORE YOU BEGIN**

- **Service station equipment has both electricity and hazardous, flammable and potentially explosive liquid. Failure to follow the precautions below and instructions in this guide may result in serious injury and death. Follow all rules, codes and laws that apply in your area.**
- **Veeder-Root requires training certifications for contractors who install and setup equipment related to the TLS-350. The minimum certification level for installation of this board is Level 2/3. Be sure that you have familiarized yourself with these requirements and determined if you are qualified to perform this installation.**
- **PMP shall not be liable for errors contained herein or for incidental or consequential damages in connection with furnishing, performance or used of this publication.**
- **PMP reserves the right to change product features or the information contained in this publication.**

### **SAFETY PRECAUTIONS FOR INSTALLATION AND MAINTENANCE**

- **Only a person with knowledge and experience with service station equipment should perform this work.**
- **Always make sure ALL power to the equipment you are working with is turned OFF before starting any maintenance.**
- **Note that more than one disconnect switch may be required to de-energize the equipment for maintenance and servicing. Use a voltmeter to make sure ALL circuits in the dispenser are de-energized. Failure to do so may result in serious injury.**
- **Observe precautions for handling electrostatic sensitive devices and avoid ESD.**
