

PMP EXCHANGE PLAN

Prices are based on exchanging like unit for like unit. Replacement parts are included in the prices except as noted.

- Prices are based on receiving complete units. Missing parts will be replaced at current list prices.
- We reserve the right to reject any units which, in our judgment, are beyond economic remanufacturing.
- Shipping terms are F.O.B. Avon, CT, USA.
- Our prices are based on receiving the exchange units before we ship an order. On items for which we maintain stock, we will ship in advance. In such cases, please completely describe unit being ordered to avoid errors. Please report any errors to us immediately upon receipt of merchandise.

If we do not receive replacement units within 30 days of shipment, we will send a Cores Owed Letter. If units are not received within 60 days of shipment, we will invoice at our current prices for cores. If cores are returned within 30 days of invoice, we will issue credit. After 30 days, no credit will be given. Items returned will be put into your core bank.

- On approval of credit, terms are Net Thirty (30) Days from date of invoice.
- Prices shown are in U.S. Dollars. All payments are to be made in U.S. funds.
- If units are missing or received in damaged condition, please note this fact on carrier's receipt and make a claim to the carrier promptly. We will assist in processing your claim or tracing a shipment with a carrier.
- Prices are current at the time of publication. We reserve the right to change prices without notice.
